

First and Last Time Offer - Palliative Care Only £23!

For a limited time only, NCC Resources highly popular Palliative Care programme is available at the **Special Offer price of only £23!**

This is a Brand New offer which **will not be repeated**, so order now to benefit from this impressive discount, while stocks last!

The Palliative Care course seeks to provide staff members with a greater understanding of what palliative care involves and how staff can best support their patient's needs from a physical, emotional, and spiritual perspective.

Modules covered within the Palliative Care course include:

- Module 1: The principles of palliative care
- Module 2: Developing the skills to meet a person's needs
- Module 3: Meeting the needs of physical discomfort through pain relief
- Module 4: Offering support through final hours of life and bereavement care

This offer will run **only while stocks last** so if you wish to secure this training programme for your staff, please act quickly to avoid disappointment!

Order now with NCC Resources and there is nothing to pay for 30 days! **Plus** Logical Care Customers receive a **further 10% discount**, call us on 0800 195 1114 and **quote LC2011**.
